

# Secure Transcripts

**IMPORTANT: The services described below are available only for the 2007 and NEWER graduating classes. No classes before 2007 can use this service as of this writing.**

The school office has put the system for ordering transcripts where students want it: on the Web. Thanks to a new service called **Secure Transcript™**, you can now request transcripts online, and have them sent directly to colleges. All you'll have to do is look for the **Secure Transcript** link on the school website and log in.

**Secure Transcript™** is provided by Docufide, Inc, which takes care of sending out official transcripts, checked and approved by the school, to the colleges and scholarship funds you choose. **You'll get an email when each transcript is sent, and for colleges that accept transcripts electronically, when they receive it as well.**

To use this service, you will have to register with the company, and pay their fee. Your request will then be sent to the Esperanza High School counseling office for approval. To learn more, visit the main website here:
